

DC Adapter

SC-102V

General

The SC-102V DC adapter is for the EMS-1052 defibrillator.

Safety Information

⚠ WARNING A warning alerts the user to possible injury or death associated with the use or misuse of the instrument.

⚠ CAUTION A caution alerts the user to possible injury or problems with the instrument associated with its use or misuse such as instrument malfunction, instrument failure, damage to the instrument, or damage to other property.

Pay attention to all safety information in the Operator's Manual or Installation Guide.

⚠ WARNING

Do not disassemble or modify the DC adapter. It might cause skin burn, fire, electrical shock or injury.

⚠ CAUTION

Connect the DC adapter only to specified instruments and follow the specified procedure. Failure to follow this instruction may result in electrical shock or injury to the operator due to leakage current, or may cause fire or damage to the DC adapter.

This Safety and Performance Information is an extract from the general and safety information sections of the most recent edition of Operator's Manual or Installation Guide. Therefore, the contents of your Operator's Manual or Installation Guide may differ from those of this Safety and Performance Information. For detailed operating procedures, follow the instructions of your Operator's Manual or Installation Guide.
